**Subject:** A Message Regarding Approaching Storm

Dear EOHHS staff,

As you may know, a significant snowstorm is expected to reach Massachusetts late tonight.

At this time, no decisions have been made regarding state government office closures or early releases. In the event of a weather emergency, employees should visit [www.mass.gov](http://www.mass.gov) for timely, official notification of early releases and office closings of Executive Branch agencies. Should the Governor, in consultation with the Massachusetts Emergency Management Agency (MEMA), determine that delayed start times and/or office closings are necessary, details will be posted as soon as possible on [www.mass.gov](http://www.mass.gov), in a special alert message that appears at the top of all agency homepages. If you do not have access to the internet, please access your local media for important weather information and announcements about state government office closures, should any be declared.

Best wishes for a safe and warm day tomorrow.
